AN INJECTION MOLDING MACHINE

DECISION ON  
PETITION

This is a decision on the RENEWED PETITION TO WITHDRAW HOLDING OF ABANDONMENT, originally filed May 15, 2001. Applicant in response to the August 18, 2004 decision has submitted a terminal disclaimer and a renewed petition request filed September 23, 2004.

**DECISION**

The previous petition was DISMISSED and applicant notified that a submission of a terminal disclaimer would overcome the condition for granting an untimely petition to withdraw the holding of abandonment.

The terminal disclaimer has been approved, the abandonment is hereby withdrawn, and the application is returned to pending status. The application shall be forwarded to the examiner for issuance of claims 4-8 which has been previously indicated as allowable.

Therefore, the Petition is **GRANTED.**
